Apr 19, 2021 · Venus-Mars aspects are super intense in the synastry chart. They’re always charged and indicate both sexual and romantic/relationship-oriented energy. Typically, the Mars person is the more aggressive individual while the Venus person is more passive. However, this will depend on the other aspects in the chart as well as the signs. I find that Venus-Mars aspects are often...

Venus and Mars (or Mars and Venus) is a panel painting of about 1485 by the Italian Renaissance painter Sandro Botticelli. It shows the Roman gods Venus, goddess of love, and Mars, god of war, in an allegory of beauty and valour. The youthful and voluptuous couple recline in a forest setting, surrounded by playful baby satyrs. The painting was probably intended to commemorate a...
