A. Anne Bel offers us a glimpse down the roads she and her friend Yeshua have travelled, and introduces us to many of the gardeners and strangers he has led her to, and led to her. Yeshua is always introducing Annie to new understandings whether they are sitting under a starry sky, or in rush hour traffic helping an old bewildered raccoon caught in an intersection on a county road, or getting arrested in Washington for civil disobedience protesting the Keystone XL Pipeline whether receiving a big welcoming hug from an Indigenous sister from another Mother at a Healing Walk in the Alberta Tar Sands, or having lunch with a prince at his home.
discussing how to make school curriculum more relevant to young people in the world we now have in front of us. The Owl and the Prince of Peace is filled with love, surprises, new understandings and hope.

Changing Vessel is a continuing journey into the sanctification process every Christian must go through. It highlights new insights into the Word of God, keeping strict adherence to the Word. How does the presence of, the thought of, the truth that Lord Jesus is alive, affect our daily lives? How should it affect our daily lives? It should at the very least bring peace and joy; if one is born of the Spirit, the Prince of Peace inside your heart, peace and joy should almost be tangible properties that other people can partake from you. The kind of peace that comes from knowing and walking in the Word and trusting in Lord Jesus Christ is all encompassing. The point of Changing Vessel is that Lord Jesus words even from two thousand years ago still apply, if you put them in todays perspective. There should be peace and joy in our lives knowing that we are loved, and that we will never be forsaken by Father God. We should be comforted knowing that all those who believe in Lord Jesus and obey Gods Word will have an Eternal Home in Heaven.

Does God really want children to be spanked? Where did spanking come from? How can I discipline my children in a manner that is truly pleasing to God? In Gentle Firmness, Stephanie G. Cox answers all of these questions and more. Take this fascinating journey to learn how to accurately read and interpret the "rod" verses of Proverbs. See why spanking is more of a church doctrine rather than a biblical principle. Read many stories from actual people raised in Christian homes that were "lovingly" spanked and yet were emotionally scarred. And finally, discover how ALL children can be effectively disciplined in a biblical manner without being hurt. Stephanie G. Cox, M.S.Ed is severely physically disabled with cerebral palsy. She is an amazing overcomer, as evidenced by the fact that she typed the entire book the way she always types with her nose!

Mahavira is known as the founder of the Jain religion. His life was strikingly similar to the life of his contemporary, Gautama Buddha. Like him, Mahavira renounced his throne to seek enlightenment. His most celebrated doctrine, non-violence, was made famous in the 20th century by Gandhi, a student of Jainism. His travels and teachings are finely retold here, accompanied by original, full-color paintings. The Gentle Hero is a worthy addition to any library of the world’s great faiths.

This book will uplift you spiritually in preparation for Christmas with 60 short Advent and Christmas meditations. Two meditations per day will provide you with stimulating spiritual preparation for Christmas over the 30 day period between Advent to Christmas. Advent is a time to slow our pace of life to be open, to be welcome, to be still and gaze at the beauty before us: Almighty God, present, waiting in the womb of his chosen Mother. The Christmas season, likewise, is a time to rejoice in tranquil adoration before the simple Nativity scene. This book includes Archbishop Goodier’s meditations on this sacred time of Advent and Christmas awaken in us the powerful mystery of the Word made flesh. He guides us along from the Old Testament prophesies to the pure Yes of Mary, from the stable birth to the daily life and growth of Jesus in Nazareth. These meditations enliven the Gospel stories in a way that enrich both our emotional and intellectual experience of the ultimate mystery of God’s Love for His people. The Most Rev. Alban Goodier (1869-1939) was a British-born Jesuit priest who served as archbishop of Bombay, India. During his thirty-five years as priest, he wrote over a dozen books on the spiritual life. He is best known for his poignant meditations on the life of Christ.

#1 New York Times best-seller with more than 11 million copies sold and Amazon’s #17 best-selling book of all time. Heaven Is for Real was the best-selling non-fiction book of 2011 as reported by Nielsen’s Bookscan, and was developed as a major motion picture by Sony in 2014. “Do you remember the hospital, Colton?” Sonja said. “Yes, mommy, I remember,” he said. “That’s where the angels sang to me.” When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren’t expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy’s trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on.
He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in Heaven Changes Everything: The Rest of Our Story. Heaven Is for Real also is available in Spanish, El cielo es real.

Words of Encouragement from My Father is a raw and authentic look on the true thoughts of a promising young creator simply longing to reach people through her words.

We know Jesus the Savior, but have we met Jesus, Prince of Peace? When did we accept vengeance as an acceptable part of the Christian life? How did violence and power seep into our understanding of faith and grace? For those troubled by this trend toward the sword, perhaps there is a better way. What if the message of Jesus differs radically differs from the drumbeats of war we hear all around us? Using his own journey from war crier to peacemaker and his in-depth study of peace in the scriptures, author and pastor Brian Zahnd reintroduces us to the gospel of Peace.

Excerpt from An Epistle to the Churches of Jesus, Throughout the World, Gathered and Settled in His Eternal Light, Power, and Spirit, to Be One Holy Flock, Family and Household to the Lord Who have been visited with the fatherly visitation from on high, and have received God's eternal word and testament in your hearts, by which you have been gathered home to Christ Jesus, the true Shepherd, from all the idol-shep herds, and their barren mountains and unprofitable hills; where you have been scattered in the dark and gloomy day of apostasy; and by his light, Spirit. They can also help you prepare family home evening lessons, prepare other lessons or talks, and answer questions about Church doctrine. This book features the teachings of President Howard W. Hunter, who served as President of The Church of Jesus Christ of Latter-day Saints from June 5, 1994, to March 3, 1995.
The message preached by Jesus of Nazareth, the Son of God, that the essence of the gospel is the deliverance of humanity from its perpetual self-destructive trend of warfare and the many sufferings that result from it. This book will also unveil that his message consisted of peaceful coexistence and toleration between people and nations. Evidence will also be provided to the reader to testify that the only proper manner for a Christian to conduct himself in the matter of war and military service is to refuse. The author, Daniel H. Shubin has written in the past a theology and a commentary on the Bible, compiled a 4-volume History of Russian Christianity, and books on philosophy and religion. Dan was a conscientious objector during the Vietnam War (as was his father during World War 2) and also acts as an advisor for military-age young men of his denomination. He has been married 41 years to wife AnnaMarie, and they have 3 adult offspring.

The birth of Christ is not only about the coming of the Messiah to the world—it is the Incarnation. By striving to understand Christ, we can understand what it is to be a follower of Jesus. Exploring the idea of the Incarnation also helps us get a grip on why God came in human form and what our purpose is as we respond with faith in Him. That is just one of the many insights from Tom Kingery, a United Methodist pastor, in his sixth book about Christian life. Like a photo album, each Christmas message in the Bible gives us part of the whole picture. While we may not ever get the entire picture, we can see enough of it to know what we are looking at and what we're called on to do because of it. Most of the sermons in this book were offered as a series of messages during the weeks up to and including Christmas Eve and Christmas Day. Kingery presents them as different parts of a gallery of images and impressions, encouraging you to enjoy the offerings and as you move closer to the Lord.

In the sixth volume of the Manga Bible, we begin to cover the New Testament with the story of Jesus. Readers follow the life of Jesus from the announcement of his coming by the angel Gabriel, to his baptism, the calling of his apostles, and through a large part of his earthly ministry.

Ranks the Apostle Paul as "one of the most powerful and seminal minds of the first or any century," and argues that we can now sketch with confidence a new and more nuanced picture of Paul and the radical way in which his encounter with Jesus redefined his life, his mission and his expectations for a world made new in Christ.
